

EXPECTATIONS

As a Bible camp, our main purpose is to train campers in God's Word to have a Biblical world view. In addition to interesting and educational activities there are Bible teaching sessions, verse memorization, and devotions each day. Our facilities are rustic but not primitive, equipped with simple bunk-beds, indoor plumbing and air conditioning.

We have strict codes of conduct in order to ensure a safe and orderly camp experience. All campers will be required to give full cooperation with these rules and with all those in authority. No exceptions will be made regardless of any behavioral diagnosis (such as ADD, ADHD, ODD). We also ask that the camper not have any physical or behavioral impairments severe enough to prevent them from normal participation in the program. We do not provide staff professionally trained in the accommodation of these impairments.

It is imperative that you remain accessible by phone and are able to come on any given day to pick up your camper should circumstances such as behavior, illness, or injury require it.

To prevent homesickness, visits and phone calls to & from parents are allowed by director permission only. Please do not send campers with any expectation of not having to stay the full time. We urge that a week of camp NOT be their first extended overnight experience away from parents.

We are an English speaking camp. Campers must be able to communicate adequately in reading, speaking, and understanding English.

Our menu does not accommodate special dietary needs.

Snacks may be purchased at the camp store once each day but are not allowed in the cabins. Please do not bring or send gum, food, or drinks to camp.

Please do not send to camp any camper who is running a fever or may have a contagious disease.

Campers should bring any prescription or non-prescription medications that you think he or she will potentially need while with us. We may not have on hand medicine for every child's needs.

We have strict modesty guidelines for clothing, and they will be enforced. Specific guidelines will be sent with the email registration acknowledgment.

Only a nominal \$20.00 non-refundable and non-transferrable registration fee per person, per week is required to insure a place at camp and must accompany the registration form. **NOTE: SAVE \$10.00!!!** - If your registration is postmarked by **May 31st**, you may include only \$10.00 per person, per week. Any additional funds donated are tax deductible as we are a non-profit organization. Make all checks payable to Bethel Campgrounds, Inc. Bethel Campgrounds is non-denominational and non-sectarian.

WE BELIEVE in the verbal plenary inspiration of the Bible, its authority, reliability, and validity in all that it affirms, including the full deity of Christ; a special creation of the world and man in six literal, consecutive 24 hr. days; the fall of man, resulting in his complete corruption, his inability to redeem himself, and his need for salvation by grace alone through faith in the finished work of Christ alone; the pre-millennial return of the Lord Jesus Christ for all true believers; and the physical resurrection of the dead, either to eternal bliss or eternal damnation.

LOCATED amid some of the most beautiful scenery in the Blue Ridge Mountains of Virginia, Bethel Campgrounds is sixty miles south of Roanoke and ten miles from the Blue Ridge Parkway.
